

POWER-PAK C.E.[®]

Postgraduate Healthcare Education LLC is the ACPE educational provider and distribution source for Power-Pak C.E.™.

Power-Pak CE™ is very well known in the pharmacy community as a premier source for pharmacy continuing education. Power-Pak currently has over 120 courses available on its site making its library of activities one of the most diverse content sources for pharmacists. Power-Pak has historically provided approximately 30% of all pharmacy CE in the U.S on an annual basis.

Power-Pak C.E.™ graded over 1,200,000 exams in 2014. Pharmacy professionals seeking online activities for obtaining CE credit have come to recognize the quality of education provided by Power-Pak C.E.™ and continue to look to us to meet their needs.

Important considerations:

- Over 123,000 individual unique pharmacists participated in at least one CE activity on PowerPak.com over the last two years. This represents 76% of all active practicing pharmacists
- PowerPak.com averages over 113,000 unique pharmacy visitors to its website monthly
- PowerPak.com averages 3 million page views a month
- PowerPak.com delivered CE to pharmacists working in every professional setting: Retail, Health Systems/Hospitals, Managed Care/Formulary Committees, Long Term Care and Oncology
- Over 240 credit hours are currently available for completion
- Over 35 topic/ content areas for course availability
- PHE/ Power-Pak has worked with over 40 medical education companies to distribute pharmacy activities
- Grant supported exams are FREE to the test taker
- Instant, on-line grading for post-test instantly uploaded to CPE Monitor
- Individual test taker history maintained on the site

PowerPak.com
